EDUCATION

General Assembly, 2018 / Seattle

Brigham Young University, 2007–11 / Bachelors of Science

UX DESIGN

Freelance, App Design

CLEAR INBOX, Three Week Sprint

- Designed a free and premium version of an email archiving app
- Specified brand guidelines and created a logo
- Collaborated with stakeholder to define KPIs
- Utilized Sketch and InVision to deliver designs to developer

Concussion Alliance, Website Redesign

General Assembly Client Project, Three Week Sprint

- Visual designer for a non-profit website
- Created a style guide based on user feedback
- Utilized accessibility principles
- Collaborated with a team to produce deliverables

OTHER EXPERIENCE

Cielo House / Lead Nutritional Therapist

January 2015 – November 2017, San Francisco, CA

- Managed a team of dietitians and collaborated with therapists to improve the lives of clients.
- Determined client needs and advocated on their behalf by presenting my findings in team meetings.

Center for Change / Nutritional Therapist

March 2014 – October 2015, UT

- Developed curriculum and instructed groups of 30+ people on how to make lifestyle changes.
- Analyzed anthropometric data weekly to predict caloric needs for clients.

Utah Center for Eating Disorders / Nutritional Therapist

April 2013 – February 2014, UT

- Counseled clients and created individualized treatment plans based on feedback and metrics needed for recovery.
- Reported feedback and progress in client charts for future review.
